

Solution Brief

Accelerated FedRAMP Bundle

Navigating the complexities of FedRAMP compliance can be daunting for SaaS providers. Anitian, a leader in compliance automation, and A-LIGN, an industry-leading 3PAO, have partnered to deliver a powerful bundled solution that accelerates audit-readiness, eliminates inefficiencies, and reduces costs. Together, we empower SaaS companies to achieve compliance faster, with confidence, and at a discounted rate.

Benefits of FedRAMP Authorization

- Enables your organization to do business with the Federal government.

- Proves that you meet federal requirements for cloud services.

- Enables your organization to do business with the Federal government.

- Satisfies multiple federal requirements with one FedRAMP assessment.

Challenges of FedRAMP Authorization

- Lengthy timelines that delay market entry.

- High costs associated with preparation and audits.

- Complexity in managing technical controls, audits, and ongoing compliance.

- Resource-intensive processes that strain internal teams.

Solution Overview

- ✔ **Accelerated Compliance:** Move from scoping to audit-readiness in as few as 3 months.
- ✔ **Increased Efficiency:** Streamline the compliance process with automation and expert guidance.
- ✔ **Bundled Discount:** Save on costs with exclusive pricing for the combined solution.
- ✔ **Seamless Collaboration:** Work with a unified team that ensures accuracy and minimizes delays.

How It Works

Step 1: Scoping & Gap Assessment: We identify gaps with Anitian's SaaS Gap Assessment Tool, prioritizing remediation tasks.

Step 2: Preparation & Advisory: Anitian streamlines control implementation and project planning with automated solutions and expert advisory.

Step 3: Audit & Authorization: A-LIGN conducts the 3PAO audit with precision, ensuring a smooth path to federal authorization.

Step 4: Continuous Monitoring: Anitian's SecOps provides real-time compliance monitoring, threat detection, and monthly reports to maintain ATO.

Key Benefits

- ✔ **Speed Up Time to Revenue:** Cut your timeline to audit-readiness by up to 50%.
- ✔ **Save Costs:** Reduce compliance and audit preparation costs by \$1M on average.
- ✔ **Increase Efficiency:** Customers save 400+ hours in compliance preparation.
- ✔ **Gain Confidence:** Achieve compliance with the support of industry-leading experts.
